FOREWORD

In this ALMANAC AND YEAR BOOK of the Reformed Church in the United States we try to give in brief and helpful form an accurate account of the most significant activities and events in our denomination during the year 1924. This volume, which is annually welcomed in more Reformed Church homes than any other of our regular denominational publications, has aimed for many years to provide a roster of the ministers, Boards, institutions and agencies of our beloved Zion, as well as the outstanding happenings of the year and such statistical information as may be of most value to our pastors and people. It is gratifying to record the interest shown by thousands in this publication, which has been increasing in size, in the number of its illustrations and the variety of its contents, without any increase of price in recent years. The fact that so many recognize the value of placing it in every family in their congregation is distinctly heartening, for the ALMANAC contains the facts which should be available to every member of the Reformed Church. Indeed, we can scarcely over-emphasize the importance of Christian literature in the homes of our people. What a blessing it would be if there were found in every home copies of the Bible, the Hymnal, the Catechism, the ALMANAC AND YEAR BOOK, books of prayer and devotion, the weekly Church paper, the *Outlook of Missions*, and other publications of the denomination which will help every member of the household to become better acquainted with the work of Christ's Kingdom. How can we expect our children to grow up with a genuine interest in spiritual things if we do not provide these means of blessing for our homes?

The year 1924 was not marked by many extraordinary events in our denominational history, but steady progress was reported in many phases of our work. The Conferences on Evangelism held at the beginning of the year, gave much promise for the future, and the ingatherings of new members were unusually large. The payments on the apportionment were larger than ever. Reports on Church attendance are not uniformly gratifying, and it is evident that a larger loyalty in this important matter is imperative if our spiritual interests are to be conserved. We can be grateful for the spirit of peace and goodwill which prevails among us, and our comparative freedom from unbrotherly and intolerant theological controversy. Our Forward Movement has aided greatly in cementing the bonds of fellowship among

all sections, and we have been able to meet the issues of the hour with a united front. The dedication of the beautiful new Schaff Building, in October 1923, has given us a denominational Headquarters Building which is unexcelled for its purpose. Thousands of the members of the Reformed Church have viewed it with pride and satisfaction. It will remain a monument to the indefatigable and sacrificial labors of Secretary Rufus W. Miller, D.D. The handsome Auditorium was fittingly named Miller Hall in his honor. The site is becoming increasingly valuable, and the wisdom and courage of the Board in this enterprise have been abundantly justified. Perhaps the outstanding feature of the year has been the growth and activity of our institutions of learning. Franklin and Marshall College broke ground in June for an extensive building program which marks a new era in the history of our oldest college, and in the same month Mercersburg Academy laid the corner-stone of what is to be in many respects the crowning glory of the magnificent service of Dr. and Mrs. William Mann Irvine, a chapel hardly surpassed in any school in America. Ursinus College completed a beautiful Memorial Library and the Mission House is completing a fine home for its new President, Dr. J. M. G. Darms. The recent building programs at Hood and Cedar Crest are quite well known and show the high place which the higher education of girls now holds among us. The new gymnasium at Masanuttan adds greatly to the equipment of that flourishing military school. With the advent of its new President, Dr. Elmer R. Hoke, Catawba College looks forward hopefully to the reopening of its important academic work in September, 1925, in the splendid new building at Salisbury, N. C. Heidelberg University, although not now erecting any new buildings, has plans for a very necessary enlargement of facilities in the near future. In connection with the celebration of its centennial next year, the Theological Seminary at Lancaster, Pa., has announced plans by the alumni for a most attractive reconstruction of the Santee Prayer Hall.

The denomination rejoices in the completion and the dedication on July 13, of the new Memorial Church at Chateau Thierry, France, erected by our people in honor of the members of our Church who lost their lives in the World War. Many of our institutions and members gave memorials to beautify this edifice. The chairman and secretary of our National Service Commission, Drs. Chas. E. Schaeffer

and W. Stuart Cramer, participated in the dedicatory services. The celebration of the Huguenot-Walloon tercentenary also proved of interest during 1924. During the year 1925 the 200th anniversary of our history in America is to be fittingly celebrated and plans should soon be under way to make this a notable event that will give us a more profound sense of the contribution of the Reformed Church to the Kingdom and to the nation, and a greater resoluteness of purpose to increase the value of our future ministries. Attention must be called to the serious toll taken by death in the ranks of our ministers. We do not recall a year when so many of our clergy, both old and young, were taken away from us. It is a solemn challenge. As you read over the list of names in the ministerial register, ask yourself why your congregation, your family, is not represented on that roll of honor. Would you not like to see the name of your son there? When you look into the face of the lad, ask yourself: "Why should he not be a minister of the Gospel?" There is no higher calling, no other

chance to do so much good, no other life-work that offers such enduring satisfactions.

Many of the necessary and important plans of our Boards and institutions have not been possible because of a default in payments on Forward Movement subscriptions. It is hoped that in this last year of the five-year program, these obligations may be made good, so that essential plans need not longer be postponed. But we have reason to be grateful for what has already been accomplished at home and abroad. The year 1924 will be memorable for the beginning of our third mission in foreign lands. The arrival of Dr. and Mrs. Calvin K. Staudt in Baghdad, Iraq, marks the entrance of our Church into that strategic section of the earth, the great land of Mesopotamia, in the heart of Islam. The work of our Lord must not fail. If we rebuild our family altars and dedicate ourselves to a deeper loyalty to Christ and His Church, we shall be used ever more largely in the years that lie ahead. Let us plan to make 1925 the best year in our history.

THE FORWARD MOVEMENT

Financial Benefits

The Reformed Church, through its great cooperative effort, the Forward Movement, has made notable progress in all lines of its benevolent work. In this Movement, members of the Reformed Church, by combining their efforts, have accomplished in the four and a half years since the inauguration of the Forward Movement, results which would have been utterly impossible by unorganized and unsystematic giving. During this period, considerably more than half a million dollars have been placed in the hands of each of our mission boards besides the regular contributions through the apportionment. Upwards of one million dollars have been given to our twelve educational institutions. Over a quarter of a million have gone into the treasury of the Board of Ministerial Relief. More than one hundred thousand have been given to our Publication interests. The beneficial results of these gifts are seen in new churches, chapels and residences, and in an enlarged staff of workers in our missions in Japan and China; in new churches and parsonages, debts removed, struggling congregations set on their feet and numerous Hungarian properties and congregations taken over bodily in the home mission field; in debts reduced, endowments increased, buildings erected, equipment improved and faculties enlarged in our educational in-

stitutions; in endowment for the sustentation department of ministerial relief, and in the more efficient work of our publication interests.

A United Church

A gain for the Reformed Church that cannot be estimated in dollars and cents is the obliteration of all lines of division in the denomination. A great bond of union has been found in the employment of a common program and the pursuit of a common goal. Throughout the Church, cooperation has superseded competition. The success of every interest is the hope and joy of all. Whether in Pennsylvania or Nebraska, Wisconsin or North Carolina, every congregation participating in the Forward Movement feels a new consciousness of its identity in the Reformed Church and a deeper sense of fellowship with the whole body.

Better Congregational Conditions

In hundreds of local congregations the Forward Movement with its canvass, its pledges and the sustained effort required for their payment, has taught anew the old lesson that "in union there is strength," has opposed selfishness in the congregation and in the individual, has developed lay service and deepened the interest of Church members in spiritual

things, has promoted systematic giving, has revealed local sources of strength, brought about a better paid ministry, reduced debts on property, and given the courage to build churches, Sunday schools, community buildings and parsonages. Within the past year alone, the Reformed Church gave for congregational purposes the unprecedented sum of \$4,326,528.00 an increase over the previous year of \$780,169.00.

Preparation for Tasks Unfinished

It is well known that the whole purpose of the Forward Movement is a movement forward. Our efforts thus far have served to give us a good start. Four and a half years of experience has confirmed our original judgment in placing the amount of the budget at \$10,847,425. We all know now that this amount is conservative and that it is quite within the ability of the Reformed Church to raise it in cash. It has been demonstrated that the quotas assigned to the congregations can be met. In every kind of congregation this has been done. We know also that when once pledged the quotas can be paid, for here again, all kinds of congregations have done it. We have passed the point of speculation as to whether Reformed Churches are capable in organization and service for the complete realization of the task involved. *It can be done.* The demonstration of this fact alone is worth much as a preparation for the further effort required.

Victory in the Forward Movement

Six months before the close of the five-year period set for the Forward Movement, the Reformed Church

is in a critical position. Within the next six months she may sing the songs of victory or she may have to blush with the shame of defeat. To contemplate the latter is bitter indeed. On the other hand what wonders victory will mean! The cause of Christ will be set forward in our beloved Church, God will be glorified in the fulfillment of plans for His Kingdom, the honor of the Church will be preserved and enhanced, the zeal of her ministers will be justified, the integrity of her people will be sustained, honest pride, joy, hope and confidence will reign in the hearts of all, and the future of the Church will be bright with blessings.

The Way to Win

While victory can be had, it can come only as the results of unanimous effort. There must be in the heart of every member of the Reformed Church, the determination that failure shall not be chargeable to him or her. The six hundred congregations which did not find it convenient to raise their quotas in the canvass of 1920 will have to embrace their opportunity in 1925. The congregations that fell short of the full amount at that time must now complete their quotas. The places of those whose help congregations have lost through death or misfortune must be taken by others. To the work every officer, every minister and every layman must give his best effort. To the forces employed in the former canvass must be added the vast strength embodied in the women of the Church. These forces, thoroughly trained and organized can, by united effort, change impending defeat into certain victory.

THE UNITED MISSIONARY AND STEWARDSHIP COMMITTEE

The United Missionary and Stewardship Committee of General Synod carried on its work steadily last year and had as its primary aim the interesting of our membership in the securing of the new enlarged Budgets of the Boards. The Church, through its General Synod, recognized that it was impossible to maintain the present work without larger Apportionments. It was then necessary to make this clear to the Classes and congregations. Besides explaining to our people why so much larger Budgets are necessary, the Church had to be informed regarding the new method of dividing, or apportioning, these Budgets among the several Classes in proportion to not only their membership but also their previous giving for congregational purposes and for benevol-

ences. A third new factor in the situation was that the General Synod followed what is really our Reformed form of government by passing the Apportionments directly from the General Synod to the Classes.

The first important step made in clearing matters up and enlisting the entire denomination was the holding at Harrisburg, Pennsylvania, on September 6 and 7, 1923, of a Conference which was attended by members of the Classical Missionary and Stewardship Committees of almost every Classis of the Church, by all of the members of General Synod's Committee except one, and by a number of Classical Treasurers, representatives of Boards, etc. The members of the Conference were unanimous in adopt-

ing the report of a Findings Committee and plans for reaching the entire Church. Special meetings of the Classes were held everywhere during the next few months and at nearly all of these the new Budgets and plans were adopted by practically unanimous votes. Some Classes laid the matter on the table temporarily and a few of these adopted the whole amounts and plans at their regular annual meetings last spring. 32 Classes, with a membership last year of 209,078—approximately two thirds of our membership—adopted their Apportionments of the new Budgets; 14 other Classes voted to ask their congregations and members to raise somewhat larger amounts than the old Apportionments; so far as is known, only two Classes voted to stand still.

The four Boards of General Synod received during the last Classical year larger amounts than ever before in their history. The increases were quite small, however, especially in view of the fact that we gave last year three fourths of a million dollars more for congregational purposes (pastors' salaries and new buildings) than in any previous year. The Boards of Missions received only 78.6 per cent of their Apportionments with the result that General Synod's Home and Foreign Mission Boards each added more than \$65,000 to their indebtedness during the year. 77 per cent of the Apportionment for Ministerial Relief was paid and 74 per cent of that for Publication and Sunday school work.

It is the earnest hope of the Committee that during the present Classical year the Church will contribute through the Apportionment the full amount of all of the Apportionments adopted by the last General

Synod: \$517,688.50 for Foreign Missions, \$476,000 for Home Missions, \$50,000 for Ministerial Relief, \$34,000 for Publication and Sunday School Work, \$5,000 for the American Bible Society, \$2,000 for the Board of Christian Education, and 4½ cents per member for General Synod's contingent expenses.

The most important part of the work is that of the Missionary and Stewardship Committee of each Classis. These Committees are active throughout the year and on them real success depends. The importance and value of the Every-Member Canvass is so great that every congregation should make such a Canvass *every year*. There is tremendous loss where this is not done. More attention has been given to the promotion of Christian Stewardship than in former years. The Stewardship Essay Contest was a great success again this year. 1,500 requests for literature were received from pastors, Sunday School Superintendents and young people and more than 1,000 essays were written. The judges in the Classes selected the best essays and forwarded them to the central committees of judges. These central committees passed on 53 essays written by the 12-15 year age group and on 54 by the 16-21 year age group. These essays represented 31 Classes and 12 states. Altogether \$145 was contributed as prizes to the essay writers.

The United Stewardship Council, which represents all the denominations and in which our Reformed Church participates, held during 1924 interdenominational conferences, each of three days length, at Harrisburg and Allentown, Pa., Youngstown, Ohio, Indianapolis, Ind., and Louisville, Ky.

FOOD FOR MIND AND HEART

Those who have been readers of the Church paper for years do not need to be convinced of its power for good. In many thousands of homes it has proved itself a real blessing. If we are to maintain a Church in which educational religion and religious education are not simply theories, but actual facts, we must have a *reading people*—families who are intelligently informed with regard to the activities and the needs of Christ's Kingdom. The *Reformed Church Messenger* (\$2.50), the official organ of the Eastern, Pittsburgh, and Potomac Synods, is our oldest Church paper. It is edited by Dr. Paul S. Leinbach, with the Rev. A. S. Bromer as Associate Editor, and is published by General Synod's Publication and S. S. Board. The *Christian World* (\$2.25), official organ of the Ohio Synod, is published by the Central Publishing House, and edited by the Rev. Dr. H. S.

Gekeler. The *Kirchenzeitung* (\$2.50), our German paper, is edited by the Rev. Carl F. Heyl. The *Reformed Church Review* (\$2.00), our theological journal, is edited by Profs. T. F. Herman, G. W. Richards, A. S. Zerbe, and A. E. Dahlmann, representing all our theological seminaries. The *Outlook of Missions* is published monthly, price \$1.00, and the *International Journal of Religious Education*, monthly, costs \$2.00. Remember that a truly *Reformed Church* must be an *informed Church*. Too many homes are now without Christian literature. One of the greatest services you can render to Protestantism is to inspire a love of good reading in the hearts and minds of the people. And the only genuine statesmanship is to begin with the children in the home.

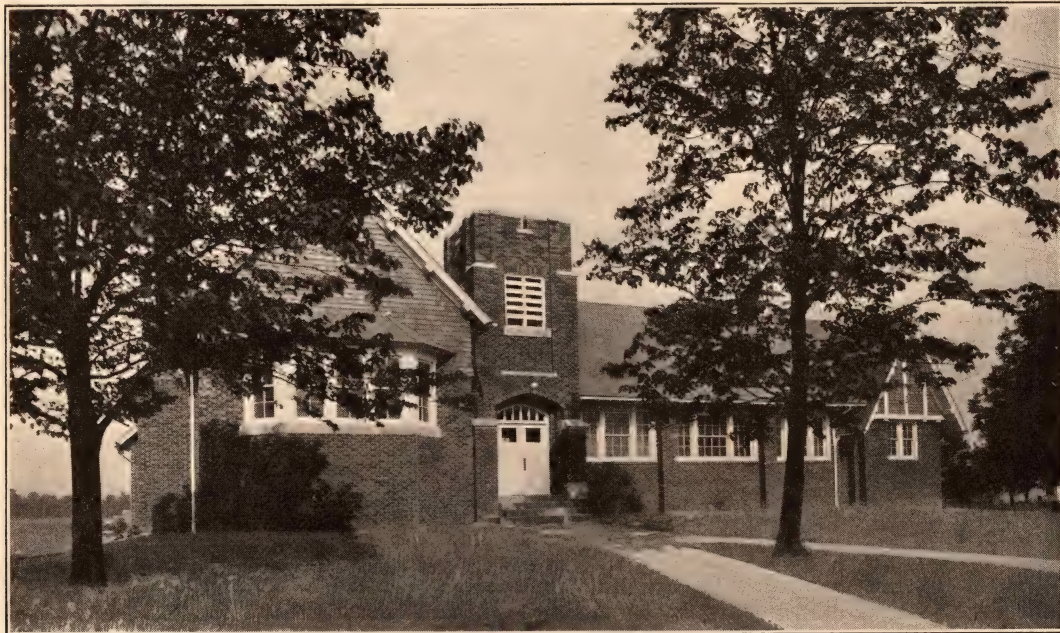

HOME MISSIONS

The work of Home Missions has as its objective the Christianizing of America. It is the organized effort of the Church to win this country for Jesus Christ. This work is carried forward by a Board of twelve men elected by the General Synod, the supreme body of the Church. The work is nation-wide and includes many aspects and phases of Christian service. The Board is supporting 200 Missionaries, which number does not include those directly supported by the Tri-Synodic Board. The annual Budget for this work is \$476,000. This is being supplied by the Church through the Apportionment and is used for every phase of the work except that of Church building. The work itself is divided into numerous departments each of which is in charge of a Superintendent. This makes for efficiency and closer supervision of the work.

The Immigrant Department concerns itself with Foreign nationalities in America, and the principal work is done among the Hungarians. There are 52 Reformed congregations among these people. The work among them consists, besides a program of Evangelization, in the task of Americanization. This

is being accomplished through Daily Vacation Bible Schools, Deaconesses, Catechetical instruction and other religious and social activities. The Board is also doing Missionary work among the Jews in Brooklyn and in Philadelphia, among the Japanese in California and among the Bohemians in Chicago and Cedar Rapids. It is also supporting a Harbor Missionary in New York, who looks after Immigrants upon their arrival in and departure from America.

The Department of Church-building is a very important phase of Home Missionary work. No Mission can prosper without adequate equipment. All the Forward Movement money given for Home Missions has been applied to building churches and parsonages and liquidating debts on Mission properties. Church-building Funds of \$500 and over are applied in the same way. The Board welcomes gifts and annuities from individual congregations and other organizations to help to support its Missionaries and to aid in the erection of suitable buildings. It especially requests people to remember the Board of Home Missions in their wills and to erect suitable memorials to their departed friends.

Evangelism and Social Service and Rural Work are also carried forward under the direction of the Board of Home Missions. These are important phases of Christian activity. Dr. R. C. Zartman is the Evangelist in the Eastern Synod and Rev. E. N. Evans in the Pittsburgh Synod, and Mr. Ralph S. Adams is the Rural Field Worker.

A definite piece of work is done in behalf of the students who are studying in centers where Universities are located, especially in Philadelphia. This work is in charge of Rev. C. H. Ranck. Students are brought into affiliated membership with the local Reformed congregations while at the same time they retain their real relationship to their Mother Church at home. The Board is also looking after the education of its Hungarian young men. It maintains a Hungarian Professor in the institutions at Lancaster in the person of Rev. Alex. Toth, and is also helping to support a part-time Hungarian teacher in the Central Theological Seminary at Dayton, Ohio, in the person of Rev. John Azary.

In cooperation with the Board of Foreign Missions a strong and efficient Missionary Education Department is being maintained in charge of Rev. A. V. Casselman, D.D. Summer Missionary Conferences are being held in various sections throughout the Church, stereopticon lectures are put into use and suitable literature is being distributed.

The *Outlook of Missions* is a monthly missionary periodical which presents the whole field of Missionary effort at home and abroad and is the joint organ of the Board of Home Missions, the Board of Foreign Missions and the Woman's Missionary Society of General Synod.

FOREIGN MISSIONS

The Board of Foreign Missions needs \$45,000 each month for its regular work.

Our churches in Tokyo and the surrounding country are slowly recovering from the great earthquake and fire of September 1, 1923. The Board extends its hearty thanks to the Churches and Sunday Schools as well as many individuals who responded generously to its appeal.

A great step forward was taken by our Church when Dr. and Mrs. Calvin K. Staudt of Wernersville, Pa., were appointed as the first missionaries to our new field in Mesopotamia. They arrived at Baghdad on March 30, 1924, and took part in the organization of the United Mission on April 10, 1924. Our share in the work for the first year will be about \$5,000.

Foreign Mission Day, February 8, 1925, will be devoted to a church-wide observance of the Twenty-fifth Anniversary of the China Mission. Interesting articles about the beginnings and the growth of the work will appear in the Church papers and the Outlook of Missions.

Since August 21, 1924 our missionaries in Japan have had to pay a duty of 100 per cent on all house-

hold supplies including canned goods, etc., which are imported from America.

More than a dozen foreign countries are being reached by the Reformed Church, through its mis-

sionaries and contributions. Besides our work in Japan, China and Mesopotamia, relief has been extended to our brethren in Germany, Hungary, Poland, Austria, Roumania, Lithuania, Jugo Slavia, Czechoslovakia and Russia.

That the full Apportionment granted by the General Synod is needed can be seen from the following figures: We now have 112 foreign missionaries, 365 Japanese and Chinese workers, 121 preaching places, 88 missionary residences and evangelists' parsonages, 34 educational plants, and 6 hospitals and dispensaries. The salaries of these 477 workers and the maintenance and upkeep of these 249 buildings must be provided largely by the Apportionment.

As a result of the World War, the members of the Rhenish Mission in China have been in great distress. For several years the Board of Foreign Missions has been contributing \$5,000 per annum toward their salaries and welcomes gifts from Churches and individuals for this purpose.

Dr. William E. Hoy was the man under God to lead our Church into China. He gave up his work in North Japan College, Sendai, Japan, where he had labored faithfully for 14 years. He left for his new field on October 28, 1899 and arrived in the interior

city of Hankow on November 15, 1899. After finding a temporary home in Hanyang nearby, he began the arduous study of the Chinese language. Due to the Boxer Rebellion, Dr. Hoy was prevented from starting actual work at Yochow City before the fall of 1901. The first Mission property was purchased there on April 1, 1902, from the London Mission.

STUDENTS WHO VOLUNTEERED TO GUARD THE COMPOUND OF HUPING
CHRISTIAN COLLEGE FROM BANDITS

Our first Church in China was organized by Dr. Hoy on February 15, 1903, with 12 members, an elder and a deacon.

The members of the Board and the missionaries have taken an active part in carrying out the plans and purposes of the Forward Movement from the beginning. It is a profound regret that the contributions from this source have fallen so far below reasonable expectation. The work is suffering. In the name of our faithful, self-sacrificing missionaries who are being disheartened by this situation, we appeal to all members to redeem their pledges to the Forward Movement in full by June 1925.

In the sudden death of Dr. James I. Good on January 22, 1924, the work of Foreign Missions lost one

of its most earnest supporters. For 31 years Dr. Good served as President of the Board and gave largely of his time and his means. Rev. Charles E. Creitz, D.D., was chosen to succeed Dr. Good as President and Rev. George W. Richards, D.D., as a member of the Board.

After 45 years of persevering effort in Japan, what fruits can we report? A native Church of 4,550 members. 100 Sunday Schools with 7,753 enrolled. North Japan College with a student body of 800, and 1,199 graduates. The Theological Seminary which has graduated 109 young men. Miyagi Girls' School with 456 students, and 633 graduates. Six Kindergartens enrolling 200 pupils.

In China, after 25 years, we have a native Church

of 764 members, and 19 Sunday Schools enrolling 2,607 pupils. Four educational institutions of higher grade—Huping Christian College and Ziemer Memorial Girls' School at Yochow City, the Eastview Schools and the Girls' School at Shenchowfu—enrolling more than 500 students. 26 Primary Schools with 1,394 pupils. Over 20,000 patients are treated in the 6 hospitals and dispensaries each year. Two schools for the training of Bible Women.

During this quarter century, the Board of Foreign Missions has commissioned for service in China 31 men and 32 women. Of these, 14 entered the evangelistic work, 31 the educational work, 17 the medical work and 1 business administration. Besides 22 are the devoted wives and mothers in the missionary households. Of the 85 persons who have been associated with the work, 5 died in active service—3 by drowning, 1 by a bandit soldier's bullet and 1 from natural causes; 21 resigned.

Gifts are welcome from individuals, Sunday Schools and Churches toward the support of Native Teachers, Evangelists and Bible Women in Japan and China. The salaries range from \$100 to \$800 per year. One of the best ways to help is by giving Chapel Funds of \$500 and \$1,000.

The whole wide world for Jesus, this shall our watch-word be,

Upon the highest mountain, down by the widest sea.
The whole wide world for Jesus, to Him all men shall bow,

In city or on prairie—the world for Jesus now!

The whole wide world for Jesus, the marching order sound,

Go ye and preach the Gospel wherever man is found.
The whole wide world for Jesus, our banner is unfurled,

We battle now for Jesus, and faith demands the world.

PUBLICATION AND SUNDAY SCHOOL BOARD

THE REAL ESTATE DEPARTMENT

At last we are all housed in the new and commodious Schaff Building. The days of moving are over, and with it, the confusion and distraction caused thereby. The results in higher efficiency fully compensate for all the inconveniences and annoyances involved in such a harassing experience. Come in to see us. We have room now to offer you a seat and a place to hang up your hat and coat. Everybody breathes freer and seems happier.

Over 90 per cent of the space in the Schaff Building is now rented, assuring the Board the payment of all expenses in upkeep, interest and the required installments on the capital borrowed. Each year the time draws nearer when the building will be free of debt and the profits can be used for the promotion of the work of the Church.

The spacious auditorium known as Miller Hall, on the ground floor, has been the gathering place of many important religious and civic bodies, such as the General Council of the Presbyterian and Reformed Churches, the Union Ministerial Association of Phila-

delphia, The Philadelphia Interdenominational Woman's Union, the Conference on Evangelism of the Forward Movement, etc. Eighteen meetings of this kind were held, free of rent, during the year. Assembly Hall, on the fourth floor was used fifty-seven times without charge and the Committee Room on the third floor thirty-six times. In addition these gathering places were used by tenants and outside persons, when a small compensation was required. In this way no little service is rendered to great and important causes.

THE BUSINESS DEPARTMENT

During the year 679,322 copies of books and pamphlets were produced for the Book and Sunday School Supply Departments, and 831,750 copies of Church and Sunday School Hymn books and sheet music, including 200,000 free copies of Children's Day Services, and 7,884,540 copies of Sunday School periodicals were circulated. Hundreds of thousands of items in the way of Church supplies, such as record books, maps, charts, pennants, flags, bulletin boards,

collection plates, birthday cards and supplies for special days, like Rally Day, Easter, etc., have been sent to the schools.

THE EDITORIAL DEPARTMENT

This department has endeavored to offer the best obtainable in the way of lesson material and Sunday School papers. The various lesson series, the International Uniform, the International Closely Graded and the Departmental Graded offer a wide range from which our schools may choose. Attention is called to the *International Journal of Religious Education* which takes the place of the "Church School" magazine. Every one desiring to keep posted on modern Church School progress, pastors, superintendents, teachers and parents should subscribe for and read this periodical. The price is but \$2.00, but it will prove a great blessing to every earnest parent as he seeks to further the cause of religious education of his children through the home and the Church.

The Board through the Editorial Department is keeping in close touch with all recent efforts made in many quarters to improve lesson material and will, from time to time, offer the Church the benefit of

these investigations, in so far as they promise practical and sound educational results.

THE EDUCATIONAL AND MISSIONARY DEPARTMENT

is steadily widening its scope and usefulness. The receipts for the year amounted to \$34,028.22. With the exception of several hundred dollars this whole amount was spent in the cause to promote the work of the schools. Free grants of literature have been furnished Mission Sunday Schools and other schools unable to buy them. The preparation of literature for use among our Hungarian Missions represents an expenditure of many thousands of dollars. In addition in some instances, teachers and material for Hungarian Summer Vacation Schools were supplied free of charge. Splendid Missionary material is offered Sunday School superintendents and teachers in "Our Missionary Education Department," prepared by our Children's Division Superintendent, Mrs. Margaret L. String, appearing every month in the Heidelberg Teacher. "Joy from Japan" and "Chinese Ginger" by Miss Catharine A. Miller are two very helpful missionary books for young people.

A GROUP FROM BUCKNELL SUMMER SCHOOL OF RELIGIOUS EDUCATION,
JUNE 19-20-21, 1924

JOLLY BEAVERS CLUB, JUNIOR BOYS, D. V. B. S. OF ST. PETER'S, LANCASTER, PA.
 PROF. PAUL M. LIMBERT, SUPERINTENDENT

Special reports on the work of the Children's Division, Young People's Department, Week Day Religious Education are found in other sections of this report.

The work of the training of leaders grows apace, and teacher training classes in the local Church now are augmented by efforts in organizing Community Training Schools, short term Schools of Methods, and Summer Schools of Religious Education, such as Cedar Crest, Bucknell and Winona Lake.

The International Council of Religious Education is playing an increasing part in the organized religious educational movement of the country and our Church is making a worthy contribution in this direction.

More and more the educational work of the Board is assuming the aspect of intensive promotion, aiming at direct personal help for the local Sunday School. At the present time eight paid workers are engaged by the Board in this work. Four are located in the western section of the Church and four extend their efforts over the Church east and west. Our great need just now is a Superintendent of Adult Work,

who will emphasize religious education in the Home. Another crying need is close cooperation throughout the year of the Classical Sunday School Committees with the Publication and Sunday School Board, so that the help the Board has to offer may more readily reach every school in the denomination.

TEMPERANCE DEPARTMENT

Some attention has been given to the cause of temperance. This Department in cooperation with the various temperance agencies of the Boards and other organizations is furnishing valuable material on present phases of the Prohibition Question and doing exceedingly important educational work. It is hoped to give larger attention to the subject during the coming year.

THE CHILDREN'S DIVISION

During the past year this branch of the Church School has been making splendid progress along educational lines.

Schools are learning it is not sufficient to emphasize the mere mechanism of education, but that a suitable

room and fine equipment is of little value unless there is a teacher who knows how to make the best possible use of it.

Thus during the year we have stressed teacher training and careful program-building in this Division.

Leaflets on the value of a Cradle-Roll Class in the Beginners' Department, Promotion Day Program, Children's Week, A Program for Missionary Instruction and Suggestions for Worship Programs are new publications and may be secured upon application to the Secretary of the Children's Division.

By agreement of the Children's workers of the International Council for Religious Education the week known as "Children's Week" is set for the first week in May. During this week we want to bring before our Churches and communities the need of religious education for our children.

This should be done by posters, rallies, speakers presenting the subject before various civic organizations, parties, exhibitions of work being attempted in the Church Schools and by each school taking a step forward in its own work.

This Division in addition to extensive field work has been able to respond to many requests for original material for particular needs and has been called on to supply anything from a simple song to a course in story-telling and psychology.

While we continue to emphasize complete organization, i.e., A Cradle Roll, Beginners, Primary and Junior Department in each school and the use of the Departmental Graded Lessons; let us add—

1. A Cradle Roll Class for under age pupils.
2. Monthly Missionary Instruction.
3. Observance of "Children's Week."
4. Organization of a "Parent's Class" or "Mother's Club."
5. Join the "Worker's Reading Circle."
6. Secure members for the "Christian Home Fellowship."
7. Subscribe for the *International Journal of Religious Education*.

Hearty cooperation on the part of all of our teachers will help us to worthily meet the educational needs of our children.

STANDARD TEACHER TRAINING GRADUATES,
MAYTOWN, PA.

REV. C. H. FAUST, PASTOR

This class received its diploma after spending three years on the Standard Course and an additional year on specialization courses. The pastor writes: The Standard Teacher Training Course is worthy of commendation to all Sunday Schools who are seeking more efficient teachers. The day has come when we need to emphasize more and more thoroughness in

Sunday School instruction. We cannot secure this until our teachers are prepared not only to talk to a Class but to present a living truth in a living way. It may mean sacrifice of time and pleasure, but it will give an assurance that will mean success. Ask the above class, did it pay for the energy expended? There will be but one answer. We know it has been worth while in the greater confidence with which we can approach our class in the presenting of vital truth.

The Superintendent of Zion's Sunday School, York, Pa., writes: "We had a fine Conference and I think it will help us greatly in our work. We sprung a surprise on the group by having Mrs. Tamae Ono of Sendai, Japan, one of the Japanese teachers in the Miyagi Girls' School, as our guest. Mrs. Ono has been visiting one of our students of Hood College, Miss Sheely, and in that way we were privileged to have her, but the young people did not know about it in advance. Mrs. Ono gave us a fine message.

It was quite appropriate to have Mrs. Ono, as all of our classes have selected a missionary from the group that the Foreign Board has sent out on the poster and after studying a brief sketch of the life of the missionary are writing a letter to their mission-

ary. We are hoping to acquaint the young people with the names and place of work of our missionaries in this way. A number have already sent their letters."

One class recently secured the Standard Teacher Training Diploma. Instead of the three years of time required for this work they spent five years. At the conclusion the pastor writes:

"A large class was formed in the Glade Church, Walkersville, Md., five years ago, to take the three-years' course. The course was prolonged because of the long vacation periods and the time given to each

lesson in discussion and study. The entire course was a very pleasant one and profitable. The beginning of the course may seem a little difficult, but it becomes more interesting later on. The class feels well paid for all the work and time spent. It is not too difficult if people are sufficiently earnest. Ministers will find it well worth their while to encourage such a course in their schools. It means harmony among the workers, and will also build up interest and activity in the school. No school should be satisfied until as many as possible have taken the Three Years'—the Standard—Course."

THE PROMOTION OF RELIGIOUS EDUCATION

If things did not change we would not need to expend so much thought and prayer in adapting sound educational methods as well as devising new ones to meet present day educational problems in the local church. The injunction of St. Paul, "Prove all things, hold fast that which is good," is the only principle to follow in such a changing universe in which we find ourselves. Again, since Christianity deals with life we must expect that the primary work of the Christian Church has to do with growth and education. Some one has said, "What made for life yesterday may make for death to-morrow." It is for this reason that directors of religious education in all denominations find work aplenty in promoting effective methods for grappling successfully with local

church problems. This educational work has been pushed forward in the three eastern Synods by means of field work, institutes and summer training schools under the direction of Dr. Charles Peters.

FIELD WORK

The field work consists chiefly of interviews with pastors and Church workers for the purpose of improving the educational work in local churches. Since in each Church different conditions prevail it is consequently necessary to make a survey of the local situation before proper methods can be recommended. It is for this reason that much time is given to conferences with workers concerning equipment, organ-

GOODWILL ADULT BIBLE CLASS, ZION'S REFORMED CHURCH, YORK, PA.
ELDER CHARLES D. SHEELY, TEACHER.

The Superintendent says of this class: The class is known on our records as Goodwill Class. The teacher is Elder Charles D. Sheely of our Church. The class has a fine record. The enrollment on the first Sunday in January was 37 and five honorary members. (The honorary members are either officers or teachers in the school and not on the active attendance roll of the class in Sunday School.) On July 20th the enrollment was 45 and the five honor-

ary members. The average attendance for the first thirty Sundays, up to July 20, inclusive, this year is 70 per cent of the active enrollment. They have had an attendance several times in the 90 per cent column. In fact on one Sunday they had 95 per cent of the active enrollment in Sunday School. Such an example is bound to inspire the whole organization. H. W. DEITZ.

ization and all the various features of the educational work of the local Church.

INSTITUTES

In order to stimulate the work in an intensive way institutes and conferences are held with workers who are brought together at some central place for the purpose of studying their local problems. Invariably the workers receive a great deal of help from each other when they discuss their problems. This same method for promoting the work in the public schools by means of country and city institutes has been found most effective. The young people of Eastern Synod have formed Classical Young

People's Organizations for the purpose of holding institutes for the discussion of young people's work. Institutes were held at such places as Reading, Lancaster, Allentown, Bethlehem, Easton, Schuylkill Haven and elsewhere during the past year. The young people have formed an executive committee in each Classis which will assume complete responsibility, with the Classical Sunday School Committee, for holding a certain number of institutes throughout the year and in this way they are seeking to interest the young members of the congregation in a vital way in the work of the local Church. Similar organizations will undoubtedly be effected in other Synods to sponsor this work.

SUMMER TRAINING SCHOOLS

The most intensive way to train workers in the local Church and at the same time engender high ideals of service in the hearts of young people is effected through the ten-day summer schools of religious education similar to the one at Cedar Crest College, Allentown, Pa. In a word, we endeavor to offer at the aforesaid school a comprehensive program which will develop the physical, social, intellectual and spiritual life of potential young leaders. The courses of study that are afforded at this summer school are intended to meet the practical needs of leaders in the local church. The general aim of the school is to provide coordinated courses of study covering three Summer School periods. Students who take the required courses of study for three sessions of the Summer School will be awarded a Standard Teacher Training Diploma. Those who can only take required work for one season will receive credit for one year's work of a Standard Teacher Training Course.

The following are the main studies offered at the Summer School: The Pupil, Principles of Teaching, The Life of Christ, Old Testament, New Testament, Worship and Spiritual Development, Home and Foreign Missions, Organization and Administration. Specialization (four courses in any one department required)—Children's, Young People, Week Day Religious Education, Rural Work. Ten lessons in any one of the above subjects constitute a course.

The Bucknell Summer School at Lewisburg, Pa., is endeavoring to offer similar courses of study. Other sections in the Reformed Church are planning to provide schools of this type for the purpose of training the potential and active leadership in all the departments of the local Church.

WEEKDAY RELIGIOUS EDUCATION

Undoubtedly the greatest discovery in the work of religious education with children has been the Week-day Church School with sessions both in the vacation and the winter months. Two essential elements characterize these two forms of weekday religious instruction. In the first place sufficient time is made available to provide a varied program of instruction and activities to meet the various needs of boys and girls. A second important factor in these schools is the professional qualification of the teaching staff. The time of the children can not be exempted either in the vacation period or in connection with public school studies during the winter unless the teachers are prepared to do thoroughgoing work. In order to guarantee that this work is conducted in the best possible pedagogical manner the teachers and assistants are usually remunerated for working in these schools. Last but not least is the fact that children are usually eager to attend both the vacation and the winter weekday religious schools wherever commendable work is being accomplished.

THE CHURCH VACATION SCHOOL

In all the Synods and Classes of our denomination Vacation Schools are being conducted. It is possible to make very remarkable impressions upon the lives of boys and girls in a Church Vacation School that has daily sessions for four or five weeks during the summer period. So extensive has this work become in the Reformed Church that a demonstration Church Vacation School was conducted at the Theological Seminary at Lancaster last summer for a period of four weeks under the direction of Prof. Paul M. Limbert and Dr. Charles Peters. The former acted in the capacity of a superintendent and the latter supervised the programs and activities of this school.

HANDWORK PERIOD OF A RURAL D. V. B. S.
REV. S. E. LOBACH, PASTOR

In order that definite instruction might be given to all persons conducting such schools various experiments were made with regard to legitimate educational features that might characterize this work. The results of all these activities were carefully evaluated by the officials in charge of the aforesaid school and will serve as a guide in enlarging the usefulness of these schools generally throughout the Church.

THE WINTER RELIGIOUS DAY-SCHOOL

Just as the Vacation Schools have made a place for themselves in the educational program of the local Church so the winter religious day-school is likewise becoming an established feature of all Church work. It is just as feasible to hold one hour sessions for one or two days during the week for the instruction of primary, junior and intermediate children in the winter as the conducting of a Vacation School with daily sessions during the summer period. Nor is the cost of conducting a winter school for eight or ten weeks in the fall and as many weeks in the spring any greater than a one term Vacation School. Again, it should be said that the introduction of weekday religious instruction does not warrant the closing of the Vacation Schools since all children need professional religious training and supervision during the summer as well as in the winter period. At the last meeting of General Synod the appointment of a commission on Weekday Religious Education was authorized for the purpose of studying and promoting this work in our denomination. This commission has been appointed and at its initial meeting issued a brief folder on weekday religious instruction which offers valuable suggestions to congregations that are endeavoring to round out their Sunday and Vacation School work

THE YOUNG PEOPLE'S DEPARTMENT

A YOUNG PEOPLE'S SOCIETY OF THE JAPANESE REFORMED CHURCH OF SAN FRANCISCO,
WHICH IS CONSIDERED ONE OF THE BEST IN THE CITY.

The past year has been marked by no spectacular achievements in Young People's Work, but by quiet continual progress. In our own denomination there is coming slowly but very decidedly a feeling that the young people's problem cannot be solved by multiplying organizations, but must be faced with a real study of the young people and the attempt to first build a program to meet these needs and then set up an organization to carry out the program. The Young People's Department has been encouraging local Church attempts at correlation by suggesting in

many places the formation of a Young People's Cabinet on which is represented every local church organization for young people. In response to local requests a number of congregations have been chosen as experiment stations for the working out of a unified program for young people in one all-inclusive organization embracing all the young people in the local church from twelve to twenty-four.

Since assuming responsibility for all the young people's work of the local Church the work of the Department has more than doubled. The local

Churches were quick to recognize that the department was at their service for the solution of problems in the Young People's Division of the Sunday School as well as the Young People's Society. The number of organized classes has rapidly increased. The publication of the new leaflet "The Organized Class" helped to explain the purpose of organization and outline the class activities. The Organized Young People's Division with its own worship service and group activities is becoming increasingly popular.

The Young People's Societies of Christian Endeavor have grown in number and in activity during the past year. The State Christian Endeavor Conventions show a large proportion of Reformed Church delegates and of the Reformed Church young people in positions of leadership. The Young People's Service Program, a comprehensive outline of a year's work for all types of Young People's Societies—a program which will be useful for a number of years—has been enthusiastically received. A new leaflet on young people's society organization and program has also been published. The Young People's Society page in *The Way* has come to be relied upon to a great degree by the local societies.

The Young People's Department has given considerable emphasis to missionary education, publishing a thorough outline of methods for mission study covering the subject of Japan and another leaflet for China; stimulating interest in missionary programs of the recreational type such as those included in "Joy from Japan." The successor to "Joy from Japan," "Chinese Ginger"—the book of recreational programs based on things Chinese—has been published by the Missionary Education Movement.

The celebration of Young People's Day has come to be an annual red letter event in the lives of our young people and seems to be equally enjoyed by the adults. The 1923 pageant, "The Question," was not only used largely in our churches but sold in quantity

to other denominations and presented in many conferences and conventions including the All-South Christian Endeavor Convention at Richmond, Va. The 1924 pageant, "The Key," was received with very great enthusiasm.

An outstanding feature of the year's field work was the holding of 12 three-day Classical institutes for young people which gave an opportunity for the first step in training for service and stimulated the organization of Classical Young People's Divisions. The Second Annual Leadership Training Institute of Louisville, Ky., was especially noteworthy.

During the summer the Secretary taught at the Bucknell Institute, Cedar Crest Training School, the International Girls' Camp at Lake Winnepesaukee, the International School of Religious Education at Winona Lake and was on the program of the Kentucky, Pennsylvania, and Ohio State Christian Endeavor Conventions. The Department continues to be active in the Interdenominational Groups, the Secretary having been elected secretary of the Young People's Work Section of the International Council of Religious Education.

The report of the Department would not be complete without mentioning the Young People's Night celebration during the week of the Dedication of the Schaff Building. An attendance of about 950, overwhelming enthusiasm and an exceptionally interesting program made this an occasion to be long remembered. It was decided to hold an annual celebration of the same type for the young people of Philadelphia and vicinity.

In conclusion, we may say that our denomination has every reason to be encouraged and to recognize that our solution of the Young People's Problem lies pre-eminently with our young people.

CATHARINE ATKINSON MILLER,
Secretary.

BOARD OF MINISTERIAL RELIEF

The Board of Ministerial Relief is The Ministerial Service Board of the Reformed Church, and may be thus renamed.

I. Service to Needy Ministers

The original object of Ministerial Relief was to help the aged and disabled ministers of the Church and their widows, who were in need. This it has done since 1752 and is therefore the oldest benevolence of the Church. Last year the Board gave relief to 53

needy ministers and 98 widows of ministers, a total of 151.

II. Service to all Ministers

The present enlarged object of Ministerial Relief is to pension all of the ministers of the Church, when they are aged or disabled, and after they have gone

away to give 3/5 of their pension to their widows, because of the service our ministers and their wives have rendered to our Church. This is called the Ministerial Sustentation Fund, of which over 700 of our 1317 ministers are members. The Sustentation Fund is now paying pensions to 2 ministers and 8 widows of ministers.

III. Service to all who Give Life Service

The Board of Relief is planning further to enlarge its work by helping all persons, who render life service to the Reformed Church, whether they be active or aged ministers, widows of ministers, missionaries, students for the ministry, deaconesses, or teachers in our Church institutions. This new plan contemplates the parental care of every form of our ministry in the Church from birth until death, not only financially but also in every other way that the Board of Relief can render service.

IV. Service to Boards and Institutions

The Board of Relief moreover is serving a number of the Boards and educational institutions of the Church by loaning them money upon approved security. For example, the Board of Home Missions of our Church at present has borrowed \$61,000.00 of our Ministerial Relief funds. All of the boards and educational institutions have borrowed to date \$119,180.00 from the Board of Relief.

V. Service that Appeals

The service that the Board of Relief is rendering the ministry, the boards, the institutions and the entire Reformed Church, makes a strong appeal to all of the ministers and members of the Church, which is shown by the increased offerings and support given to the Board of Relief year by year.

Address: Board of Ministerial Relief of the Reformed Church, 1505 Race Street, Philadelphia, Pa.

THE SUMMER MISSIONARY CONFERENCES

SUMMER MISSIONARY CONFERENCE, HOOD COLLEGE, FREDERICK, MD., JULY 11, 1924

The outstanding need of the Church today is leadership—intelligent, progressive, up-to-date leadership. One of the great problems that faces the Church today is the production and development of such leadership. Anything which contributes to that need in the life of the Church is worth while. Now leadership is, for the most part, a matter of training. Such training does not come through study alone; it comes through fellowship, discussion, the mingling of per-

sonalities, and the comparison of plans and ideals. All of these are found in the Summer Missionary Conferences. In fact, the Summer Missionary Conferences are held for the express purpose of developing missionary leadership, efficiency and usefulness.

Under the auspices of the Department of Missionary Education, Rev. A. V. Casselman, D.D., Secretary, 8 Conferences were held last year during July and August at the following places: Hood College;

Bethany Park, Indianapolis, Ind.; Kiskiminetas Academy, Saltsburg, Pa.; Catawba College; Heidelberg University; Theological Seminary, Lancaster, Pa.; Ursinus College; Mission House, Plymouth, Wis. These Conferences last year were the most successful the Church has ever had. The delegations were larger than ever before, the delegates were more wisely and efficiently chosen, and the number of congregations represented by delegations larger than at any preceding Conferences. By actual count the number of persons attending all of the classes and meetings of the Conferences in 1924 was almost 60,000. The number of regularly registered delegates attending the classes of the Conferences was 1,830. To have brought the missionary message of the Church in an especial way to 60,000 individuals, and to have had almost 2,000 picked leaders of the Church studying intensively the problems of Home and Foreign Missions is in itself no small accomplishment. If these 2,000 delegates to the Summer Missionary Con-

ferences carry back into their home Churches the inspiration and information of the Summer Missionary Conferences during the coming year, the Reformed Church will be richer in thought and more thoroughly prepared for world service. The greater proportion of the delegates at the Summer Conferences this year definitely pledged themselves to do this very thing. To quote *The Reformed Church Messenger*: "Our Summer Missionary Conferences have already yielded a rich fruitage and promise much more for the future of our Church. Ever and anon we should stress the fact that the value of a Church is not to be measured by the number of people who go in, but rather by the number of workers who come out. No sign of the times is more wholesome or hopeful than the growing number of our young people who are willing to give themselves to intensive training and serious study of our missionary problems in order that they may become more efficient workers in the Kingdom."

THE TWO HUNDREDTH ANNIVERSARY OF THE REFORMED CHURCH IN THE UNITED STATES

PRESIDENT GEORGE W. RICHARDS, D.D., LL.D.

The year 1925 is the bi-centennial year of the founding of the first congregations of the Reformed Church in the U. S. The earliest Reformed settlers came from Germany and Switzerland, with a sprinkling of Hollanders and French Huguenots. They settled in Eastern Pennsylvania. The first congregations were organized by John Philip Boehm in 1725; he was then a layman, but two years later was regularly ordained to the ministry. The congregations were known as Falckner Swamp, Skippack and Whitemarsh, and were located in the territory extending from Boyertown to Philadelphia. Falckner Swamp is the only one of these congregations that continues to this day. The other two were dissolved and their members were taken into neighboring congregations organized at a later date.

During the celebration of the Bi-Centennial the Church should look *backward, outward and forward*. The first beginnings of our Church are to be found in Switzerland about 1517, under the leadership of Ulric Zwingli. In 1563 the Heidelberg Catechism became the Confession of Faith and the book of

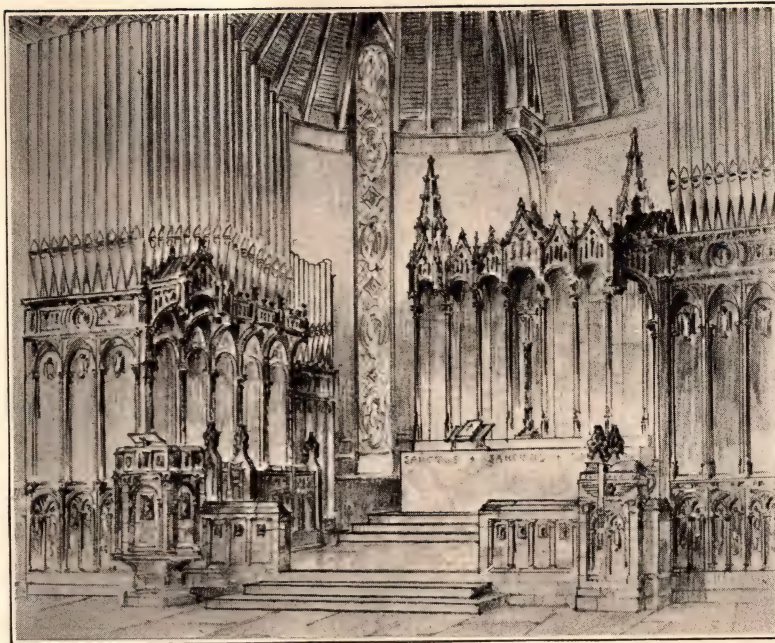

instruction. The earliest Reformed pioneers came to this country at the close of the 17th century. The first educational institution was the Theological Seminary founded in 1825 at Carlisle, Pa.

The outward look enables us to estimate the extent of the growth of the Church in these 200 years. Her borders are not in the U. S., but in Japan, China, and Mesopotamia. Consider her educational, missionary, and benevolent work; also, the ministry and membership in many States of the Union, an unusually thrifty and loyal people both in Church and State.

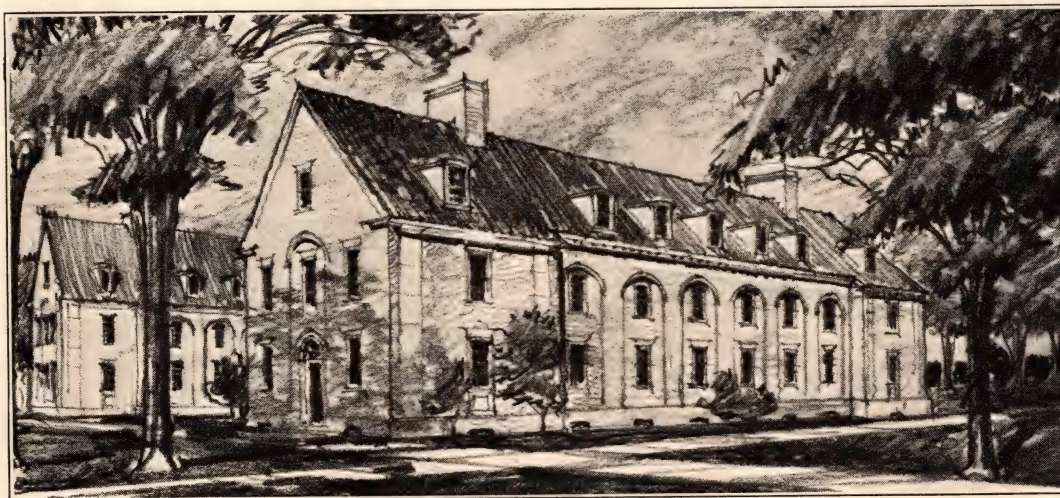

Perhaps most important of all is the forward look. What has been and what now is, are but the promise of what is to be achieved. The Church is just about equipped for active and vigorous work for the Kingdom of God; and the celebration of the Two Hundredth Anniversary should quicken in us a deeper sense of our heritage and a fine appreciation of our responsibility for the task which God would have us perform in the future.

To this new Board, the General Synod has entrusted four major tasks: (1) Recruiting for Life Service; (2) Setting Standards for the Academies, Colleges and Seminaries of the Reformed Church; (3) Arousing Interest in Higher Education; (4) Financing Beneficiary Students. The Board is now a member of the "Council of Church Boards of Education in the U. S. A.," in which nineteen great denominations are officially represented. tional centers of our denomination. The Board urges that every congregation join heartily in the celebration of Education Day on the third Sunday in May, 1925. As the Board does not have a General Secretary to direct its work, it is particularly important for all pastors and Church officers to cooperate in advancing the great objects for which the Board has been created. Prof. Theo. F. Herman, D.D., Lancaster, Pa., is the President of the Board, and the Rev. O. B. Moor, Indianapolis, Ind., is Secretary.

THOUGHTS ON EDUCATION

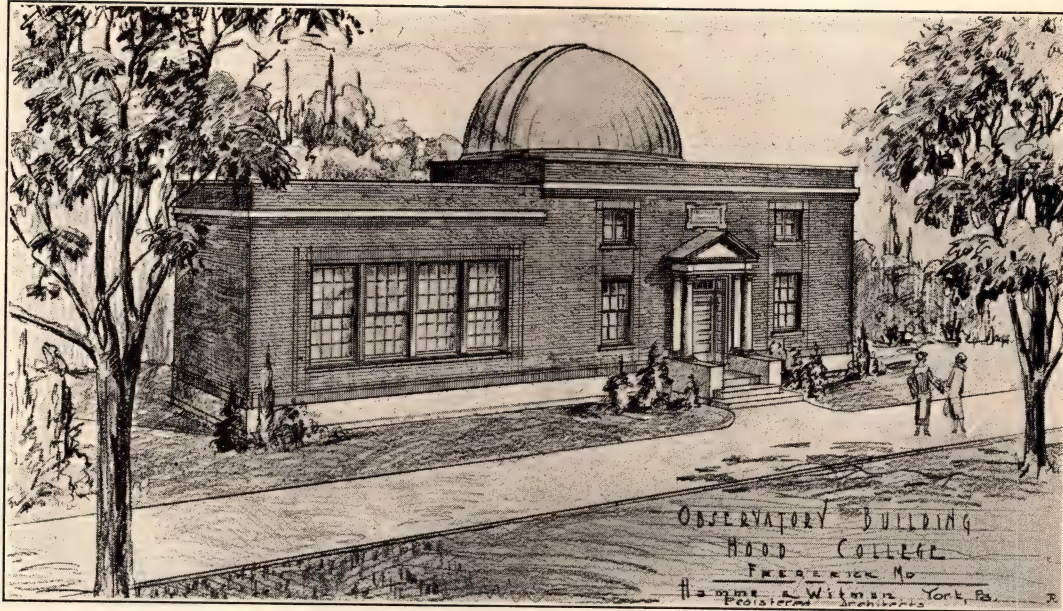

The real object of education is to give children resources that will endure as long as life endures; habits that time will ameliorate, not destroy; occupation that will render sickness tolerable, solitude pleasant, age venerable, life more dignified and useful, and death less terrible.—*Sydney Smith*.

If we work upon marble, it will perish; if we work upon brass, time will efface it; if we rear temples, they will crumble into dust; but if we work upon immortal minds, if we imbue them with noble principles, with the just fear of God and love of our fellowmen, we engrave on those tablets something which will brighten to all eternity.—*Daniel Webster*.

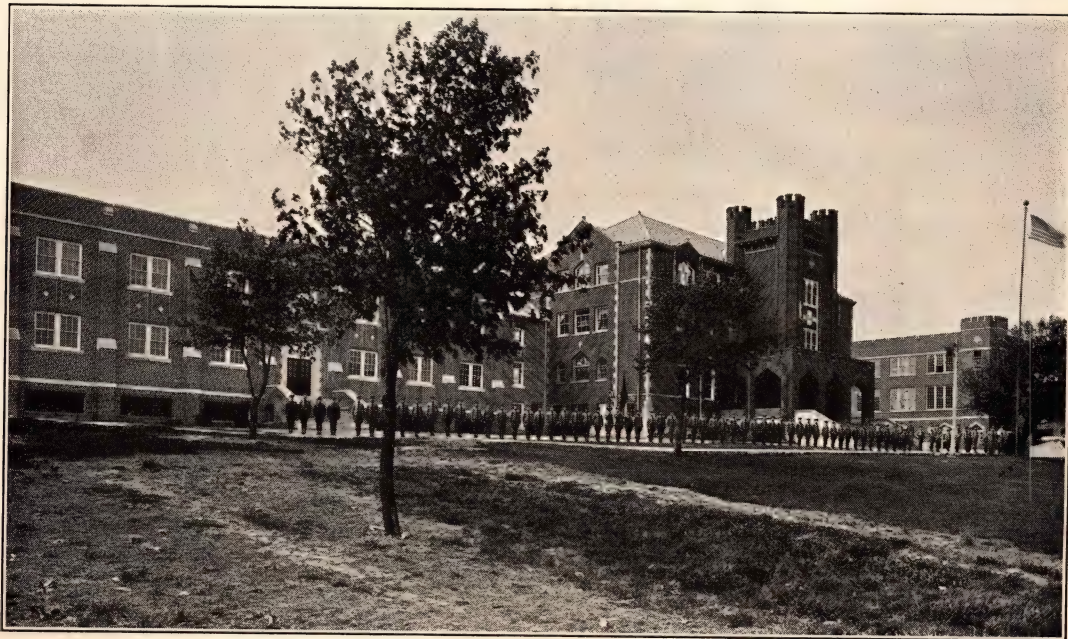

It is not scholarship alone, but scholarship impregnated with religion, that tells on the great mass of society. We have no faith in the efficacy of mechanics' institutes, or even of primary and elementary schools, for building up a virtuous and well-conditioned peasantry so long as they stand dis severed from the lessons of Christian piety. Unless your cask is perfectly clean, whatever you pour into it turns sour.—*Horace*.

Afterwards there were four years of College, three of Seminary and eighteen of pastoral experience, on my way to Bethany, as it proved to be.

During twenty years of service at Bethany there was use for it all and much more. However, your patience and help, with God's guidance and blessing, made the Home prosperous and the children fared well.

So will it be when I am gone. God is leading another, in preparation, on the way to Bethany.

GREENVILLE, PA.

Rev. A. M. Keifer, D.D., Supt.

During the past year several new things have been added to the equipment at St. Paul's. The first was a new modern chicken house large enough to accommodate 160 chickens. To this was added a new brooder house to accommodate 500 baby chicks. A little later a corn crib with every modern device was added. Still a little later a farm machinery house was erected. Just now the interest of everybody connected with the Home is centered in the completion of the two new cottages. These were started early in the spring of 1924. They are now far enough advanced so that we can predict that they will be completed by January 1, 1925. These two cottages will accommodate 50 additional children. They were planned with great care, and are well adapted to the work for which they are intended. These new cottages will, of course, enlarge the work, and will, no doubt, require additional support from the friends of the Home.

I am therefore asking for generous contributions during the coming Christmas season.

NEW NURSERY, FORT WAYNE

FT. WAYNE ORPHANS' HOME

FT. WAYNE, IND.

Rev. John F. Winter, Supt.

This Home rejoices in its new Baby Cottage, erected at a cost of \$45,000, and Rev. and Mrs. Rufener, devoted servants of God, have been secured to care for the children in this splendid new cottage. The continued good-will and financial support of pastors and people are needed to enable the Home to care adequately for its large family. Last year there were fifty boys and thirty girls lovingly trained in this Home, and the Superintendent truly says that it taxes the ingenuity and resourcefulness of those in charge to keep the hands, feet and minds of the little ones always profitably employed. It remains true that a man who in the struggles of life has no memory of a good home is without life's best rewards and life's best defences. We are trying to make the orphanages of the Reformed Church "good homes."

"O Master, let me walk with Thee
In lowly paths of service free;
Tell me Thy secret, help me bear
The strain of toil, the fret of care.

—Washington Gladden.

HOFFMAN ORPHANAGE

LITTLESTOWN, PA.

Rev. Andrew H. Smith, Superintendent

In the year 1923, a committee appointed by Gettysburg Classis organized a congregation in our Home under the name of The Church of the Good Shepherd. This congregation holds regular services with an attendance of almost 100 per cent and a record in benevolence of \$692 and for congregational purposes \$17. The apportionment was paid more than 200 per cent. This year's apportionment was paid in full three months after it was laid by Classis. We are glad it is thus.

But more important than money for benevolence is the foundational fact that eighteen boys and girls voluntarily asked for the blessing and privilege of confirmation. These children have been catechized for years, for the most part the catechism was committed; also choice portions of Scripture. With the addition of these new members at Easter our congregation numbers forty. The activities of this congregation are almost as varied and in some respects more systematic than in the average congregation. Besides the regular Lord's Day services and Sunday School, the children conduct a Christian Endeavor service.

CONFIRMATION CLASS, 1924
HOFFMAN

Catechetical instruction and Teacher Training are given on two evenings during the week. Of course we have our regular morning and evening worship in the school house auditorium where all our services are held. Representative men of the Church Boards have favored us with addresses and stereopticon views, all of which are appreciated by the Hoffman family.

NAZARETH ORPHANS' HOME

CRESCENT, N. C.

Rev. W. H. McNairy, Supt.

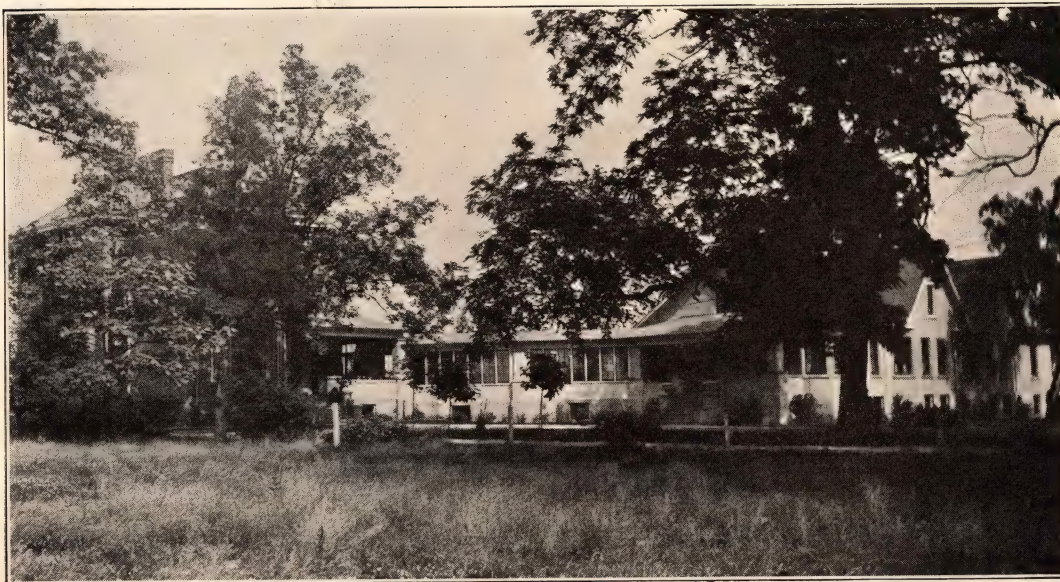

We believe that this has been the best year yet.

Progress has been made along many lines.

A modern Dairy Barn was built. The old barn and surrounding buildings have been torn down, which add much to the appearance.

We are building a new dormitory for the girls and we hope to have it completed by Christmas of 1924.

We are grateful for the way our friends have supported the home and hope for larger offerings during the coming year.

HOME FOR THE AGED, UPPER SANDUSKY, OHIO
JOHN J. FAUSER, SUPERINTENDENT

PHOEBE DEACONESS AND OLD FOLKS' HOME

ALLENTOWN, PA.

Rev. F. H. Moyer, Supt.

The Home was founded in 1903. Its object is "to prepare Christian young women for the office and work of deaconesses, to care for the sick and spiritually destitute, and to engage in such other forms of charitable work as may from time to time commend itself to the institution."

It is located in the western part of Allentown on a three-acre plot of ground. At present three buildings are in use.

The three-story brick residence is the home of the deaconesses and the probationers. The preparation for their work is given here.

The large granite building, erected in 1911, has thirty old folks and the necessary help.

The greenhouse is the gift of Mr. and Mrs. Mahlon Hillegass, East Greenville, Pa., and the adjoining gardener's residence was provided for by the contributions of a number of other friends. The intensively cultivated garden of one and a half acres and the greenhouse provide many of the vegetables, fruits and flowers used in the Home.

Destitute aged persons from almost every Classis of the Eastern Synod and from some others have been admitted and are being cared for. Many worthy applicants can not be admitted for want of room.

The Home is under the care of the three Classes, East Pennsylvania, Tohickon and Lehigh. It is supported almost entirely by bequests and voluntary contributions. These come from individuals, churches, and Sunday Schools. There is a Ladies' Auxiliary whose members contribute each \$1 per year; and the members of the Corporation contribute each \$5 a year.

Last Spring twenty churches undertook to lift an offering for the support of the Home in connection with their observance of Mother's Day. This offering was regarded as an expression of appreciation of mother. The propriety of this was spontaneously recognized. Many gave \$1 and enrolled as members of the Auxiliary; others gave \$5 and enrolled as members of the Corporation. The average offering per congregation was \$60. The three supporting Classes are asking their congregations and Sunday schools to participate in this offering from year to year.

The most urgent need of the Home is enlargement to enable it to care for all worthy applicants. Con-

gregations and Sunday schools can help most effectively to enlarge the Home and thus provide for the destitute aged in their midst by joining wholeheartedly in the Mother's Day Offering.

OUR INDIANS

For forty years the Rev. J. Stucki has lived and labored among the Winnebagoes of Wisconsin. He is both pastor and evangelist. His station is about seven miles from Black River Falls. The church has there a small farm, a parsonage and a chapel. A congregation of 75 members, properly organized, holds regular services. In spite of their poverty, they give an offering each Sunday. If some members have no money with them on Sunday, they write their names and the amount promised to be given later on a slip of paper and drop this on the plate. In this way they raised over \$125 last year, of which 75 dollars were given for benevolences.

The other branch of the work is the Boarding

School at Neillsville, Wisc., which is superintended by Mr. Benjamin Stucki, a son of Rev. J. Stucki. In this school there were 78 children last year who were instructed in all branches of the eight grades as the state requires. However the main purpose of the school is the religious instruction and training in Christian living. The nine children in the picture were baptized and confirmed last spring.

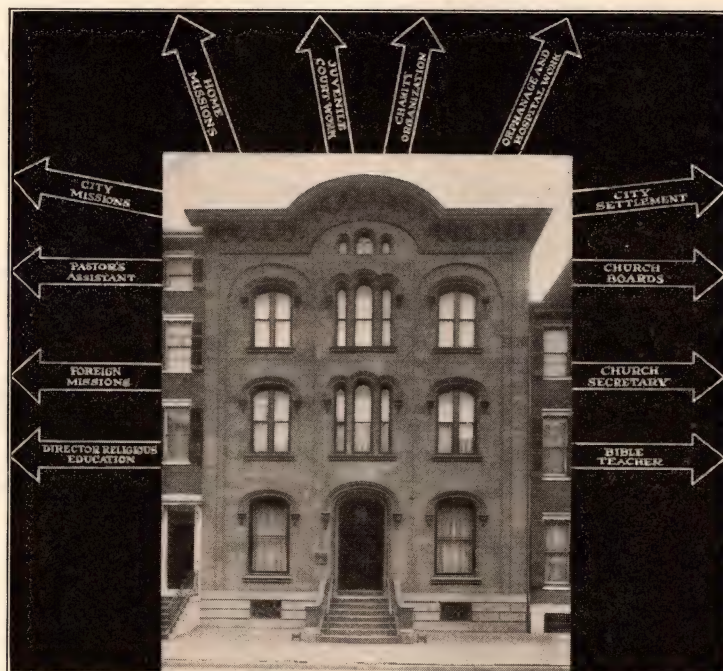

Clothes for children below school age, or for people above school age, should be sent to Rev. J. Stucki, R. F. D., Black River Falls, Wisconsin.

Articles for the school or children of school age, should be sent to Mr. Benjamin Stucki, Neillsville, Wisconsin.

"Lord, speak to me that I may speak
In loving echoes of Thy love;
As Thou hast sought, so let me seek
Thy erring children lost and lone.

O lead me Lord, that I may lead
The wandering and the wavering feet,
O, feed me, Lord, that I may feed
Thy hungering ones with manna sweet."

PHILADELPHIA SCHOOL FOR CHRISTIAN WORKERS OF THE PRESBYTERIAN AND REFORMED CHURCHES

SCHOOL FOR CHRISTIAN WORKERS OF THE
PRESBYTERIAN AND REFORMED CHURCHES
1122-24-26 Spruce Street

There is an ever increasing call for the trained workers who graduate from this school. We have been unable to supply the demands from the churches for the kinds of work this cut represents.

This institution belongs to the Reformed and Presbyterian Churches.

It takes young women of college and high school preparation, trains them in the Bible and all methods of Christian work, under their own ministers, and sends them back in harmony with the Doctrines, History, and Ideals of their own church, to give their whole lives to its upbuilding.

No other career offers such opportunity of serving God and blessing men and filling one's own soul with abiding joy.

Pastors, tell the young women of your congregations, that there is a noble life career open to them.

There are many idle in the home, teaching or in business who long to give their lives to Christ and the Church.

The course is two and three years.

There is aid for worthy students.

In this great city, all the best methods of Church, Sunday School, Charity and Settlement work are to be seen in practical operation.

Our graduates are at work in all parts of the country and foreign lands.

Write for catalogue and information.

Send us gifts to maintain the work.

The money invested in such lives will come back to the Church one hundred fold.

Heartily endorsed by the last General Synod of the Reformed Church.

We need \$7500 from the Reformed Churches to enlarge this work.

In 1888 he was licensed and ordained, and served the following charges: Valley Charge (Dayton), Germantown, Barberton, Fostoria, Lancaster, Columbus and Bettsville in Ohio; Mt. Pleasant and St. Mark's, Pittsburgh, in Pennsylvania. He served as Stated Clerk of Westmoreland and Allegheny Classes of Pittsburgh Synod and Lancaster Classis in Ohio Synod. On Dec. 5, 1888, he was married to Miss Cora B. Seemuth, of Tiffin, who survives him, together with a daughter, Mrs. C. W. Wild, of Canton, and a son, Paul B. Tussing, of Johnstown, Pa. Funeral services were held April 22, with interment in Greenlawn Cemetery, Tiffin.

WAGNER, REV. SAMUEL TRESSLER, was born in Spring Township, Perry Co., Pa., July 15, 1846, the son of Samuel and Elizabeth (Tressler) Wagner, and died April 10, 1924, aged 77 years, 8 months, 25 days. He attended Mt. Dempsey Academy and taught in the Perry Co. Schools for two terms, after which he entered Marshall College, Mercersburg, Pa., graduating in 1874. The following year he taught in the Blairsville, Ia., Academy. He returned to Mercersburg to take up his theological training, in accordance with the desires of his family, and was licensed by Zion's Classis in 1878. His first field of labor was in Meyersdale, Pa., where he served as assistant to Rev. L. D. Steckel,

and also organized the congregation at Hyndman. A new charge was organized named Wills Creek Charge, to which Mr. Wagner was called. He served here 4 years; Worthville Charge (now Salem Charge), seven years; Beaver Charge, seven years; Watson Run, four years; Boonsboro, Md., three years. He retired from the active ministry because of defective hearing, and served the Church as opportunity presented itself. He is survived by his wife, who was Miss Catherine Barnhart; one daughter, Mary E., at home; a brother, George A.; two sisters, Mrs. Jemima Rice and Sophia. Funeral services were held April 14 at St. Peter's Church.

WATTS, REV. J. HUNTER, son of James and Rachel E. Watts, was born in Watsontown, Pa., June 1, 1870, and died March 4, 1924. He was educated in the public schools of Watsontown, and after finishing two years in the High School, entered Missionary Institute, now Susquehanna University. He graduated from Ursinus College with valedictory honors, A.B. degree, in 1894, and from the Ursinus School of Theology in 1897. His first charge was Pleasantville, Pa., where he was ordained and installed June 29, 1897. He served this charge for 4 years, when he was called to St. Andrew's, Lancaster, where he labored until his death. He served as Pres. of Lancaster Classis, Chairman of the Classical Sunday School Committee, Pres. of the Ministers' Association of the Reformed Church of Lancaster, and Treas. at his death. He was charter member of the Clergymen's Cooperative Beneficial Association, serving as a director from the beginning. In fraternal orders he was a member of Lodge No. 43, F. and A. M., Lancaster, and Martin Luther Commandry No. 317, A. and I. O. Knights of Malta. August 17, 1898, he was married to Miss Emily G. Edgar, of Philadelphia, who survives him, together with two daughters, Mrs. Alfred Jones, and Ruth, at home; also his mother and one brother, Robert W. Watts. Funeral services were held at St. Andrew's, Lancaster, March 7. About 50 ministers were present. Interment in the Greenwood Cemetery.

YENSER, REV. WILLIAM, died at his home in Collegeville, Pa., June 5, 1924, after an illness of more than four months, at the age of fifty-eight years. He spent his boyhood days in Lehigh, Pa., and as a young man learned the painter's trade. Later he felt the call to the Christian ministry, and although it meant a great deal of privation to complete the required years of study, he pursued the goal he had set for himself. He graduated from Ursinus College in 1892, and from the Theological School in 1894, when he was ordained. His first charge was Marietta, Pa., where he labored fourteen years. He served the Columbiana, O., Church eight years, when he was forced to resign on account of ill health. He moved to Collegeville, and as soon as his health permitted, assumed the pastorate of St. Paul's Church, Lionville, which was his last charge. Funeral services were held June 9 in Trinity Church, Collegeville.

The Statistical Tables in the Almanac and Year Book for 1925 were compiled from the officially signed and sealed Statistical Reports furnished me by the Classical Stated Clerks for the year 1924. The following outstanding facts are of special interest:

Increase in the Benevolent Contributions, \$233,465.00.

Increase in the Contributions for Congregational Purposes, \$780,169.00.

Students for the Christian Ministry, 271; a decrease of 4.

Increase in members who communed during 1924 as compared with 1923, 5317.

Increase in number of names erased from roll as compared with 1923, 2323.

Increase in number confirmed as compared with report of 1923, 2085.

"E" in totals for "Membership last year" registers the Errors made in pastoral reports to Classes. The total of these errors indicates that 2216 members officially reported in 1923 were not included in the official returns made in 1924.

I hereby certify that the Statistical Reports and Summaries, as contained in this Annual Year Book and Almanac, are carefully and correctly compiled according to the best of my knowledge and belief.

J. RAUCH STEIN,
Stated Clerk of General Synod.

Life Annuity Bonds

If you are living on your income and will in all likelihood never need to spend the principal, why not make a perfectly safe investment at a fair rate of interest by taking a Life Annuity Bond? You will receive the interest as long as you live and the Board will have the use of the money at once.

Write to the Secretary of the Board you are interested in. He will explain the plan to you.

THEOLOGICAL SEMINARY

of the Reformed Church in the United States

Founded at Carlisle, March, 1825

LANCASTER, PA.

This School of Theology, the oldest educational institution of the Reformed Church, is conducted under the direction of three English Synods: The Eastern Synod, the Pittsburgh Synod and the Synod of the Potomac.

Its financial affairs are managed by a Board of Trustees, consisting of eighteen laymen. Instruction and discipline are subject to the authority of a Board of Visitors, consisting of twelve ministers. The Visitors and Trustees are chosen from the ministers and laymen of the three Synods.

The Course of Instruction embraces three years and includes all the branches of a complete education for the Christian ministry.

A fine Dormitory and Refectory were recently added to the equipment, in which room and board may be had at reasonable rates.

The Seminary year begins on the second Thursday of September.

Little's Cross and Crown System

Doubles Sunday School Attendance & Offerings

How to Use the System

Begin by presenting every scholar with the No. 0 celluloid pin. For every term of three months' uninterrupted attendance the pupil earns a reward. For the first term the No. 1 pin; for the second the No. 2 pin; for the third the No. 3x pin; for the fourth the No. 6 pin. Thirteen consecutive Sundays may be considered as three months. Pupils absent without a satisfactory excuse lose the interrupted term, but may begin a new term the next Sunday they attend, continuing to wear the pin already earned.

Each pin obtained is to be worn until the next higher grade is earned, but surrendered upon receiving the new one. The No. 6 solid gold pin is presented outright, and with it a handsome lithographed certificate, 9 x 11 inches, with seal and ribbon attached (for framing). For each additional reward earned another seal and ribbon is attached. These certificates are free to schools. Send for sample.

The System pays for itself by increased offerings as evidenced by numerous testimonials, and may be started successfully at any time. This has been repeatedly proven by actual results.

THE MOODY BIBLE INSTITUTE OF CHICAGO

REV. JAMES M. GRAY, D.D., President

FOUNDED BY THE GREAT EVANGELIST AND CHRISTIAN EDUCATOR, D. L. MOODY, IN 1886

Training Free

EDUCATIONAL DEPARTMENT

The object of the Institute is expressed in the service rendered by its students in all parts of the world, who are pastors, evangelists, missionaries, teachers, gospel singers, Y. M. C. A. and Y. W. C. A. secretaries, rescue mission superintendents, deaconesses and workers in Sunday schools and boys' and girls' clubs.

This is divided into a Day School, Evening School and Correspondence School. The General Course of the Day School is covered in two years. Its enrollment last year was 1238. Five other courses are Missionary, Pastors, Religious Education, Jewish Missions and Swedish-English. Advanced work is taken in these courses covering longer periods of time.

The Evening School permits students to take work equivalent to the Day School, making them eligible to the same diploma, though it necessarily covers a longer period of time. A shorter course is possible, however, leading to a certificate. The enrollment last year was 861.

The Correspondence School is for those who cannot attend the Institute in person. Eight courses are offered in different methods of Bible study, Practical Christian Work, Evangelism, Christian Evidences, etc. For these a limited fee is charged. The enrollment last year was 10,047.

EXTENSION DEPARTMENT

This supplies Bible teachers, evangelists and gospel singers for church and mission work, and also conducts Bible conferences, music classes and evangelistic meetings wherever called for.

MOODY Bible Institute MONTHLY

This is a periodical devoted to Bible knowledge and interpretation; news and methods of world-wide Christian work; editorial comment on current events and conditions; inspirational verse and selected miscellany. What 132 years mean to you

TIME weakens an individual but strengthens an institution. This is definitely and importantly true of insurance organizations.

In selecting an insurance policy remember that a policy protected by 132 years of company history is a double safeguard.

The Insurance Company of North America, "The Oldest American Fire and Marine Insurance Company," puts behind its every policy a record of 132 years of met obligations.

In Colonial Days this company protected the commerce and the homes of Americans. Today it offers its long history as proof of its certain strength. A North America policy is a wise protection.
